Ingrid Texeria is A.V.I.D. Volunteer-of-the-Month for October. She moved from Huntington Beach, California, in 1977, and now lives in Minden. Formerly she worked in offices, libraries and schools and now enjoys volunteering about 32 hours a month at Douglas County Animal Shelter mostly caring for cats. Ingrid loves cats but also cares for dogs. She has fostered several dogs that were at the end of their lives, even though it is a difficult task. In her four years working at the Shelter she has also adopted two dogs and several kittens. She encourages others to volunteer saying, "It's so much fun and rewarding."
